FEINT'S FINE FURNITURE

"A summer house so fine in such a nest of green." Originality, picturesqueness, a dash that courts beauty, whether custom smile or frown—make ideal summer houses. Rules of art must be observed, but they must appear plus yourself and hobbies.

In decoration, we respect the architecture, surroundings and location. The seashore cottage needs differ from those of the mountain lodge, or the house "in the open." Our enamelled reed furniture we make in such tones it harmonizes in light and shade and counts much in comfort.
